

**North Dakota Early Childhood Higher Education Consortium
Statewide Early Childhood Education Articulation Agreement¹**

2016-2021

Purpose: This agreement has been drafted by and is endorsed by the members of the North Dakota Early Childhood Higher Education Consortium (NDECHEC). It is intended to facilitate student transfer and early childhood education program articulation among the following campuses:

Bismarck State College	Cankdeska Cikana Community College
Dickinson State University	Nueta Hidatsa Sahnish College
Jamestown College	Lake Region State College
Mayville State University	Minot State University
Dakota College at Bottineau	North Dakota State College of Science
North Dakota State University	Sitting Bull College
Turtle Mountain Community College	United Tribes Technical College
University of Mary	University of North Dakota
Valley City State University	Williston State College

Guidelines:

1. The articulated courses listed within this agreement have been evaluated by the members of NDECHEC and have been found to be equivalent. Further these courses have been found to meet criteria required for early childhood education teacher certification in the state of North Dakota.
2. Except where specifically noted, individual courses or groups of courses will be transferable to all institutions listed above. A student may attend a single campus prior to transfer or may attend multiple campuses prior to transfer. In either case, the courses will transfer between listed institutions and will fulfill general education, pre-requisite, and/or early childhood education requirements as annotated in the attached agreement.
3. A minimum grade of "C" is required for transfer of any course that is to be used as a part of the early childhood education major. Courses not required as part of the early childhood major must meet minimum grade standards of the receiving institution. In some cases, a grade of "D" in non-major courses will meet certain requirements, but acceptance of grades of "D" is at the discretion of the receiving institution. In all cases, grades of "C" or above will be accepted as equivalent to matching courses on the receiving campus as annotated in the attached agreement.
4. Acceptance into the receiving institution's education program is based upon both academic criteria (overall GPA, successful completion of required courses, and successful completion of the Praxis I (PPST) test) and non-academic criteria (viability for teacher certification, i.e. ESPB-required background check).
5. Students who transfer between signatory institutions of the North Dakota General Education Requirements Transfer Agreement and who completed their general education requirements after 1996 (for university system institutions) or after their final sending institution has its GERTA Gold Page approved (for non system institutions) will be deemed to have completed all lower division general education requirements at the receiving institution.
6. Members of NDECHEC must approve subsequent early childhood education articulation agreements drafted between an individual signatory or between groups of signatories to this document and secondary schools.
7. This agreement is in force from the date of its approval and will be formally reviewed by consortium members every other year. All signatories will have the right to continue, amend, or cancel their involvement with this agreement at that time.
8. The signatories to this document are not responsible for any required changes to this document that come about as a result of changing state teacher certification requirements, national accreditation requirements or changes to state or federal law.

Completed Course	Transfer Acceptance	SH
English Composition I/ Writing	Each of these courses fulfills/satisfies the first/introductory writing course for all partner institutions.	3-4
English Composition II/ Writing		3-4
Public Speaking/Speech	Each of these courses fulfills/satisfies the general education requirements (GERs), pre-requisite, and graduation requirements for the ECE major	3-4
Intro to Soc, Social Problems, Family Family Science		3-4
Introduction to Psychology/General Psychology	Each of these courses fulfills/satisfies the general education requirements (GERs), pre-requisite, and graduation requirements for the ECE major	3-4
Social Science Elective ² Arts/Humanities Elective ² College Algebra ³		3
Science courses required for elementary education teacher certification ⁴	These courses satisfy GERS & elementary education certification requirements	6-9
Developmental Psychology, Child Development, Life Span Development		3-4
	These courses satisfy GERS & elementary education certification requirements	9-12
		3-4

The remaining courses listed within this agreement are part of the required courses for early childhood major (and some for Kindergarten Endorsement). Students may choose a maximum of five of the eight listed courses to transfer to a North Dakota bachelor's degree-granting institution. Students should seek advisement prior to registering for these courses to determine the best course of action.

<p>Early childhood observation and assessment Field Experience, fulfills Kindergarten endorsement course ^{5, 6}</p>	<p>This course is not offered at BSC, NDSCS, NDSU, UTTC, WSC NHSC: ECD 295 LRSC: EC 297 DCB: EDUC 211 TMCC: ECE 311 VCSU: EDUC 337 UND: T&L 311 UMary: EDU 335</p>	<p>1-5</p>

- Each institution maintains its own set of general education requirements (GERs) under North Dakota State Board of Higher Education policy. Completing lower division GERs at any NDUS institution guarantees completion at all NDUS institutions.
 - Completion of lower division GERs at Canledeska Cikana Community College, Turtle Mountain Community College, Sitting Bull College and United Tribes Technical College guarantees completion at all NDUS institutions.
 - Most campuses require a cultural diversity course, which should be selected from the Social Sciences or Arts and Humanities general education categories.
 - College algebra is not required for early childhood education majors at all campuses. College algebra is required for students who double-major in early childhood and elementary education at all campuses. Students should consult with individual campuses to determine a best course of action prior to transferring.
 - While some sciences are required for all majors at all campuses in North Dakota, these particular categories are not required for early childhood education majors. These categories are required for students who double-major in both early childhood and elementary education. All early childhood education majors should consult with an advisor prior to registering for science courses.
 - Students must request evidence of successful field experience be forwarded from their previous institution's education department to their new institution's education department.
 - UMary will not accept these courses in transfer.
- NOTE: Some campuses require a higher GPA for admission into education programs than is required for admission to the institution. Consult with your receiving institution to determine GPA requirements.
- NOTE: The PRAXIS I is now required for teacher certification in North Dakota. Some campuses require this prior to admission into the program.
- NOTE: Although grades of "C" will transfer to UND, all transferred education courses used as part of an education major must earn a minimum grade of "B."
- NOTE: Completion of the A/AAS degree has been shown to increase the likelihood of a student's completion of a baccalaureate degree.
- NOTE: Sending campuses may include Canledeska Cikana Community College, Nueeta Hidessa Sahnish College, Turtle Mountain Community College, Sitting Bull College, United Tribes Technical College, and all North Dakota University System campuses. To be included in this agreement, campuses must have their individual courses approved by the Physics Common Course Number Discipline Group.

NOTE: Sending campuses may include Cankdeska Cikana Community College, Nueca Hidatsa Sahnish College, Turtle Mountain Community College, Sitting Bull College, United Tribes Technical College, and all North Dakota University System campuses. To be included in this agreement, campuses must have their individual courses approved by the Common Course Numbering Discipline Group.
